

LONDON PLACE BRENTFORD – TWO NEW OFFICES CURRENTLY UNDERGOING FIT OUT AT BALTIC PLACE

LONDON PLACE BRENTFORD

London Place is pleased to announce the fit out of its latest commercial space, Baltic Place, on Ealing road, TW8.

The two high specification open plan commercial units are 90m² and 135m² respectively, positioned prominently close to the Great West Road within the section known as the “Golden Mile”. Architect and contractor Apex Interiors are working closely with London Place to create versatile, modern fitted spaces with excellent glazed frontage, full raised floor, new ceilings, lighting and high spec air conditioning.

The properties are located close to the heart of rejuvenated Brentford, and less than 10 minutes’ walk to Brentford station (32 minutes to Waterloo). Nearby Northfields, Boston Manor and South Ealing Underground stations all offer connections into Central and West London via the Piccadilly line.

The M4 and A4 provide excellent road links to Central London, as well as Heathrow Airport which is under 20 minutes’ drive. The spaces are available for rent this autumn.

London Place is a leading owner and manager of quality commercial space, offering businesses brand new, professional and well-designed work environments in great locations.
