

LONDON PLACE COMMENCES MARKETING ITS PRESTIGIOUS NEW OFFICE UNITS IN CHISWICK AT 500 CHISWICK HIGH RD

LONDON PLACE CHISWICK

It's been a busy summer for London Place at 500 Chiswick High Road, with the fitting out of its two offices within a luxury development by Redrow Homes.

Architect CSA and Contractor Built Ltd. are working in partnership as the onsite advisors, creating a choice of two units, both of which have a glazed frontage onto Chiswick High Road. Unit 1 (164m²) is an open plan space with contemporary exposed surfaces fitted to Cat A standard, to include a kitchenette with integrated appliances, WCs with shower facilities, mechanical heating/cooling system and a raised access floor throughout. Unit 2 (190m²) is a fully fitted, stylishly designed office space ready for immediate occupation by a company seeking both a state-of-the-art office space as well as a convenient location.

Both Chiswick Park station (District Line) and Gunnersbury station (District Line/Overground) are under 5 minutes' walk away, with good road links via the M4 and South Circular which are both less than 1 mile away. The offices also benefit from a Snap Fitness health club which is located in the lower ground floor of the building, as well as a great local food and retail offering within walking distance.

London Place is a leading owner and manager of quality commercial space, offering businesses brand new, professional and well-designed work environments in great locations.
